Dear Dr. Griffey:

While processing your Freedom of Information Act (FOIA) request dated September 23, 2011 for records from the Federal Bureau of Investigation (FBI) pertaining to (1) the "Committee to investigate the FBI" also known as the "Citizens Commission to Investigate the FBI" and "Commission to Investigate the FBI; as well as (2) files that indicate a relationship to the "breakin," "break-in," or "break in" at the FBI Office in Media, Pennsylvania in March 1971, the FBI referred one document, totaling one page, to this Office for processing and direct response to you on behalf of the Office of the Attorney General. The FBI tracking number for this request is FBI/PA# 1174496-000. For your information, the documents were received by this Office on January 14, 2015.

I have determined that the document, totaling one page, is appropriate for release without excision, and a copy is enclosed.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. *See* 5 U.S.C. § 552(c) (2006 & Supp. IV 2013). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

Inasmuch as this constitutes a full grant of the document that was referred by the FBI, for processing on behalf of the Office of the Attorney General, I am closing your file in this Office.

If you are not satisfied with my response to this request on behalf of the Office of the Attorney General, you may administratively appeal by writing to the Director, Office of Information Policy, United States Department of Justice, Suite 11050, 1425 New York Avenue, NW, Washington, DC 20530-0001, or you may submit an appeal through this Office's eFOIA portal at www.justice.gov/oip/efoia-portal.html. Your appeal must be received

within sixty days from the date of this letter. If you submit your appeal by mail, both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal."

Sincerely,

Vanessa R. Brinkmann
Senior Counsel

Subject: Burglary of FBI Field Office at Media,
Pennsylvania

Meiburg

According to press accounts, numerous FBI documents were stolen in the burglary of the above-captioned FBI office. These accounts indicate that the group, which styles itself the "Citizens Commission to Investigate the FBI" has furnished some of the documents to Congressman Parren Mitchell of Maryland and Senator George McGovern of South Dakota.

I would appreciate your advising me with all possible speed with respect to the nature and content of the documents which you have identified to date as missing.
